Executive Summary

Saté Ria is a Malaysian satay brand with national recognition and international ambition, now entering a structured revival phase to reclaim market leadership through three core growth pillars.

Central Kitchen

Standardized production hub supplying all franchise outlets with consistent, frozen-ready satay products.

Versatile Franchise

Kiosk, food court and drive-thru formats enabling rapid, low-cost expansion across Malaysia.

Global Branding

Localized brand identities (Arabic, Mandarin, Hindi, Japanese + more) to enter international markets.

Brand Heritage & Market Position

A proven concept backed by national leadership

Brand & Secret Recipe — Proprietary Ownership

The brand and secret recipe are wholly owned by Ungku Mohammed Fadli Bin Ungku Jalil (BO), who retains full intellectual property rights and oversees brand integrity globally.

7 Language Brand Variants

Localized brand identities in Arabic, Mandarin, Hindu, Russian, Japanese, German, and Korean — ready for cross-border deployment.

Proven Event Presence

Demonstrated operational excellence at high-footfall events including F1 Grand Prix at Sepang International Circuit.

Mobile & Fixed Formats

Deployed across food truck, kiosk, and food court formats — giving the brand adaptability in any location type.

Central Kitchen Distribution Model

Why the Central Kitchen Model Works

- Consistent quality and taste across all franchise outlets — every stick tastes the same
- Frozen distribution extends shelf life and reduces waste for franchisees
- Lower operational complexity at the outlet level — no marinating, no prep
- Scalable to national supply with a single, certified production facility

Versatile Franchise Formats

Three deployment formats to suit any location, footfall, and investment level

Food Truck

Mobile / Events

Full-branded van unit ideal for events, festivals, corporate parks, and roadside high-traffic zones. Low fixed cost, high visibility.

Investment: RM 80K – 120K

ROI Target: 12–18 months

Kiosk

Food Courts / Malls

Compact kiosk format for placement in food courts, petrol stations, LRT concourses, and universities. Drive-thru variant also available.

Investment: RM 40K – 70K

ROI Target: 10–14 months

Full Outlet

Standalone / Drive-Thru

Flagship store format for high-street and drive-thru locations. Full menu, dine-in, and take-away with hot-pack packaging system.

Investment: RM 150K – 250K

ROI Target: 18–24 months

Go-To-Market Strategy

Phase 1

*2025 — Domestic
Revival*

- Relaunch Central Kitchen with upgraded automated skewering & freezing line
- Deploy 10 pilot kiosk franchises in Klang Valley, Penang, and Johor Bahru
- Launch 'Take Away' hot-pack concept — satay ready anywhere, anytime
- Digital presence: Grab, Shopee Food, and own website ordering

Phase 2

*2026–2027 — National
Scale*

- Expand to 50 franchise locations nationwide across all three formats
- Establish certified halal and food safety accreditation for export
- Partner with petrol stations (Petronas, Shell) for kiosk placement
- Introduce catering arm targeting corporate, events, and stadium contracts

Phase 3

*2028 — International
Entry*

- Launch first overseas kiosk in Middle East (Arabic branding variant)
- Target ASEAN markets: Singapore, Brunei, Indonesia, and Thailand
- License model for South Korea and Japan using localized brand identities
- Frozen retail product (supermarket ready-to-grill satay packs) in GCC markets
